

04-14-2009 Houston, TX

4th Green Initiative Networking Event

Germany is one of the world leaders in the development of renewable energy and environmentally sound technologies. Our goal is to stimulate the exchange of ideas and expertise between American and German interests and to establish contact with like-minded individuals and organizations in the United States. We are very proud that our keynote speaker at this event will be Mr. Bill Drake, Managing Partner of Great Spirit Bioenergy Partners and Technical Advisor for Biogas Nord.

Location: The Tasting Room, 1101 Uptown Park Blvd #18, Houston, TX 77056

Date: Tuesday, 14th April, 2009

Time: 6:00 PM - 9:00 PM

RSVP by: no RSVP

Entry fees: \$10 for members, \$20 for non-members. (Pay at door, cash only)
